/ Fitness / Wellness / Rehabilitation / Longevity

Product Line Overview

The RollStar Body Shaper product line includes several models designed to meet different business needs and space requirements.

Each roller is crafted from high-quality ash wood, known for its strength, durability, and smooth finish-delivering both luxury and long-lasting performance.

The models differ in:

- size and form factor
- functional features and massage programs
- control systems
- additional technology options

Model Differences

From full-size systems to compact solutions, all models share the same philosophy of efficiency, comfort, and reliability.

RollStar Mini SQ | RollStar Grand Black | RollStar Mini | RollStar Grand White | RollStar Mini S
